Regarding: Colbert Landfill- Designated Project Manager

Dear Mr. Thompson

Spokane County is officially changing the designated project manager for the Colbert Landfill remedial action project. As described in our consent decree, this change will become effective ten calendar days after written notification to both Ecology and E.P.A.

The new project manager will be our Hydrogeologist, Bill Wedlake. Mr. Wedlake is looking forward to working closely with both yourself and Mike Kuntz.

Sincerely,

N. Bruce Rawls
